Description

Seamlessly produce, post and play on the HP Stream 11-ak0010nr Laptop. The HP Stream Laptop provides plenty of power to binge watch your favorite shows or tackle a time-consuming workload, and it boasts a vibrant 11.6" HD display for vivid visuals. From a highly portable design to wireless connectivity, this laptop makes it easy to take work and entertainment on the road.

- 11.6" HD SVA anti-glare WLED-backlit display presents visuals in detail. LED backlighting provides a thinner, more energy-efficient screen.
- Powered by an Intel Celeron processor.
- 4GB of memory is available to run your programs.
- Includes 32GB eMMC storage.
- Wireless-AC (802.11ac) delivers high-performance, cable-free networking. Share files, surf the Web and stream content.
- Features 1 USB 3.1 Type-C port and 2 USB 3.1 ports.
- Camera with integrated digital microphone lets you stay in touch with friends, family and colleagues via video chat.
- Tuned stereo speakers bring your media to life.
- Bluetooth® technology lets you connect wirelessly to enabled printers, headphones and other devices.
- HDMI™ port lets you view videos and photos on your HDTV (HDMI cable sold separately).
- Rechargeable battery stays powered for up to 12 hours. Battery life will vary depending on the product configuration, product model, applications loaded on the product, power management setting of the product, and the product features used by the customer. As with all batteries, the maximum capacity of this battery will decrease with time and usage.
- Runs on Microsoft® Windows 10 Home in S-Mode
- Backed by the manufacturer's 1-year limited warranty.
- Intel, the Intel Logo, Intel Inside, the Intel Inside logo, Intel Core, Intel Atom, Celeron, Pentium and Pentium Inside are trademarks of Intel Corporation in the U.S. and/or other countries.
- Eco-conscious choice — has one or more meaningful eco-attributes or eco-labels.
- ENERGY STAR certified — meets federal guidelines for energy efficiency.
- EPEAT Silver certified — reduced environmental impact from multiple eco-attributes. Ranked in three tiers: Bronze, Silver or Gold.
